**Brief biography:**

We have been in Gonzales since 1999. Upon arrival I immediately got involved - Main Street was the first organization I participated in! Over 10 years ago I had a vision of an event for the community & beyond. The Beer Sale was born & has been a huge draw to Gonzales for several thousand vintage, antique & handmade seekers!

**Why would you like to serve on the "Tourism" (Board Desired).**

I've loved & promoted Gonzales since we moved here. With new ideas and current resources we can continue to encourage heads to stay in beds here in Gonzales!

I hereby apply for appointment to the "Tourism" GC&VB (Board Desired).
